

# GoEscrow

Payment Protection Platform®

**GoESCROW**  
PAYMENT PROTECTION

“We help all people, businesses and companies. GoEscrow is fantastic for so many commercial arrangements, transactions involving second hand goods, home trade services and manufacturing on demand. Engage via mobile app, web portal, shopping cart plug-in or API”

Anthony Cacciola. Director

## ABOUT US

# GoESCROW

GoEscrow assists with payment assurance, financial disbursement and regulatory compliance. The GoEscrow Payment Protection Platform is a suite of technologies for the management of escrow payments in Australia, used when you need a trusted financial middle man.

GoEscrow is an Australian company and holder of Australian Financial Services Representative (AFSR) No. 1309800 of Australian Financial Services Licence (AFSL) No. 526194

## BENEFITS

# SAFE, SECURE, REGULATED

GoEscrow operates under strict government regulations by AUSTRAC and ASIC for banking and payments ensuring all transactions occur correctly. Everyone may conduct business with financial peace of mind.

GoEscrow is always  
Irreversible, Irrevocable, Instant and Impartial

“GoEscrow is your trusted financial middleman quietly ensuring all parties in a transaction meet their obligations. We do this so that everyone may get on with the important things.”

Campbell Letson, Director

### The FAQ List

The top 5 questions we get are:

1. Can payments be reversed?  
Yes, if both parties agree.
2. Can settlements be automated?  
Yes, we call this 'Timed Escrow'.
3. Do you help with problems?  
Yes, while remaining completely impartial.
4. Do you allow for anonymity between parties?  
Yes, payments to be sent to a GoEscrow ID code.
5. How much do you charge?  
Similar to merchant fees - 1.5~2.5%.
