

Payment Assurance Solutions

For early released superannuation

GoESCROW

“Getting access to my superannuation early allowed me to financially support my rehabilitation journey. The GoEscrow facility ensured all my future obligations were met as planned. It was fantastic!”

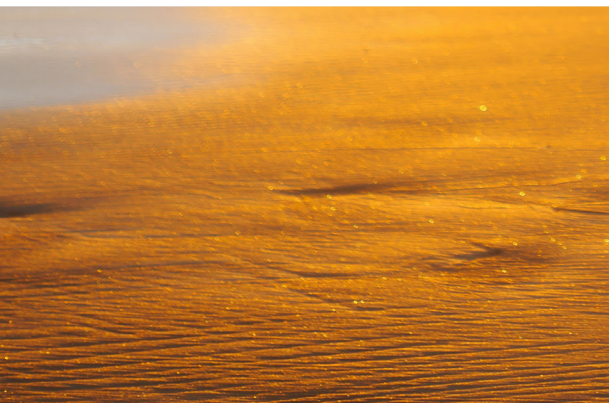

Sarah Connor. St Albans, VIC.

ABOUT US

RELEASE MY SUPER & GoESCROW

Release My Super specialises in the coordination of early access to superannuation while GoEscrow assists with payment assurance, disbursement and regulatory compliance.

Access your superannuation for drug and alcohol rehabilitation, mental health treatment and IVF under the ATO's Compassionate Release Of Super Program with the assistance of Release My Super.

Once approved, your superannuation funds are released directly into a specialist bank account created in your name by GoEscrow. Here your money is held safely until you authorise it to be paid to

your facility of choice or other nominated service provider.

You may setup multiple payments to different service providers at different times, or settlements can be controlled and authorised via the GoEscrow app. In most cases, released superannuation can go immediately to the facility.

BENEFITS

SAFE, SECURE, REGULATED

GoEscrow operates under strict government regulations for banking and payments ensuring your released superannuation can only be used for its intended purpose. You may plan your health journey confidently and with financial peace of mind.

The journey you are embarking on has been made smooth and seamless with the help of Release My Super and GoEscrow.

The process is simple.

1. You discuss your requirements with Release My Super
2. They work with you to apply to the Australian Tax Office for early access to your superannuation
3. GoEscrow will create a bank account for you with a unique PayID, BSB and Account number. This is in your name and is required for the payment from your superannuation fund
4. The released superannuation is paid directly into your escrow account and then onward to your service providers(s) at your nominated dates and times

“Your success is our reward.

We remove financial unknowns, manage critical payments and reduce temptation so you can have a worry-free journey. A journey where you can succeed.”

Clay Turner. Client Services Manager, GoEscrow.
